making Facilities

Gilsland Spa Hotel Brampton, Cumbria

Gilsland Spa hotel sits proudly in 140 acres of manicured garden and natural woodland in an idyllic countryside location with spectacular views over the Cumbrian and Northumberland countryside. It takes its name from the nearby Gilsland village and the restorative properties of the historic sulphur well visited by many since the 1800s.

The Hotel boasts 94 en suite bedrooms, free Wi-Fi, and a centrally located ballroom with a bar and entertainment every evening. It caters for both residents and non-residents and there are opportunities to snack, lunch or dine in Galloways Bar and Hadrian's Coffee shop.

The latest addition to the Hotel facilities is a modern, light function suite, The Orangery. It was built and opened in 2010 and provides an up to date facility for weddings, conferences and events. It is licensed for civil ceremonies and can take up to 100 guests for this special occasion.

The Orangery is also ideal for conference and events. Together with Hadrian's Coffee Shop, it offers seating for up to 250 delegates. With its own dedicated entrance, The Orangery can be accessed directly from the gardens to allow for team-building events in the grounds of the Hotel.
